

## INSTRUCTOR

**BEVERLEY WORBETS**, RN, BA, CHTI, is a holistic nurse practitioner, who has nursed both nationally and internationally for over 30 years in a variety of settings. She incorporates her Healing Touch expertise in the hospital, her private practice and her volunteer work with seniors and palliative care. Beverley is keen and committed to facilitating health and healing.

Beverley is an instructor of the HTI Healing Touch Certificate Program and has the right to use the intellectual property of the HTI Healing Touch Certificate Program Course of Study.

**Healing Touch International, Inc.** is a non-profit professional membership and educational organization for Healing Touch. It was established in March 1996, to receive the AHNA Healing Touch Certificate Program and the process for Healing Touch Certification of Practitioners (CHTP) and Instructors (CHTI) from the American Holistic Nurses Association. HTI is responsible for the International Standards of Practice and Code of Ethics for Healing Touch Practitioners. The focus is on research, special interest groups, networking and support of membership.

This course is an approved course of study of the HTI Healing Touch Certificate Program.

Certified Educational Institution

### Target Audience

Health care professionals & interested individuals desiring an in-depth understanding & practice of healing work that uses energy- based concepts.

The Healing Touch Certificate Program is a multi-level course of study in energy-based therapy that is complementary to health care. Moving from beginner to advanced practitioner, the program incorporates a variety of energy-based modalities that are sequenced in Levels 1 through 5. Students receive a certificate of completion at each level. Upon completion of levels 1-5 and additional requirements, students are eligible to apply for certification through Healing Touch International, Inc. Level 6 prepares the individual to become an instructor.

### Level 2 Description

Level 2 is for students who have completed Level 1 and wish to increase breadth and depth in the study of Healing Touch. (17.5 continuing education contact hours.) The second level of study in Healing Touch includes an intake interview, back techniques and a one-hour healing sequence. Emphasis in the experiential learning is on developing healing sequences for specific client needs.

### Level 2 Objectives

The participant will:

- Share the experience of practicing Level 1 techniques.
- Develop interviewing and additional assessment skills.
- Demonstrate a one-hour healing sequence for specific client problems.
- Document clinical work.
- Practice back and neck techniques.
- Describe specific techniques in addressing client health challenges.
- Describe application of HTI's Standards of Practice & Code of Ethics within an HT session.

### Level 2 Course Content

- Review techniques from HT Level 1
- Share experiences of practicing Level 1 techniques
- Discuss applying techniques in clinical settings
- Assessment process: interviewing skills, recording observations, documentation
- Healing techniques: One-hour Healing Sequence, Spiral Meditation, Mind Clearing, Wound Closing, Pain Ridge, Pain Drain, Sealing Leaks, Back Techniques
