

INSTRUCTOR

BEVERLEY WORBETS, RN, BA, CHTI, is a holistic nurse practitioner, who has nursed both nationally and internationally for over 30 years in a variety of settings. She incorporates her Healing Touch expertise in the hospital, her private practice and her volunteer work with seniors and palliative care. Beverley is keen and committed to facilitating health and healing.

Beverley is an instructor of the HTI Healing Touch Certificate Program and has the right to use the intellectual property of the HTI Healing Touch Certificate Program Course of Study.

Healing Touch International, Inc. is a non-profit professional membership and educational organization for Healing Touch. It was established in March 1996, to receive the AHNA Healing Touch Certificate Program and the process for Healing Touch Certification of Practitioners (CHTP) and Instructors (CHTI) from the American Holistic Nurses Association. HTI is responsible for the International Standards of Practice and Code of Ethics for Healing Touch Practitioners. The focus is on research, special interest groups, networking and support of membership.

This course is an approved course of study of the HTI Healing Touch Certificate Program.

HEALING TOUCH CANADA, INC.
Certified Educational Institution

Target Audience

Health care professionals & interested individuals desiring an in-depth understanding & practice of healing work that uses energy- based concepts.

The Healing Touch Certificate Program is a multi-level course of study in energy-based therapy that is complementary to health care. Moving from beginner to advanced practitioner, the program incorporates a variety of energy-based modalities that are sequenced in Levels 1 through 5. Students receive a certificate of completion at each level. Upon completion of levels 1-5 and additional requirements, students are eligible to apply for certification through Healing Touch International, Inc. Level 6 prepares the individual to become an instructor.

Level 1 Description

Level 1 begins with 18 continuing education contact hours of instruction, allowing persons with varying backgrounds to enter, acknowledge their previous learning and to further develop concepts and skills in energy-based therapy. A strong commitment to personal growth is required.

Level 1 Objectives

The participant will:

- Describe the human energy system relationship to physical, emotional, mental and spiritual health.
- Discuss energy principles basic to HT.
- Assess the energy field and energy centers.
- Identify a basic Healing Touch sequence.
