

INSTRUCTOR

Jeanne Balcom, RN, CHTP/I has had a diverse career within the hospital health care setting since receiving her nursing diploma in 1973. Her search for a holistic nursing model led her to the Healing Touch International HT Certificate Program. Since 2002, Healing Touch has been an integral part of Jeanne's nursing and self-care. Her commitment to see this become integrated into the health care system has been rewarding as it brings forth heart-centered care. These energy-based techniques are an economical support to traditional medicine.

As a retired Oncology nurse, Jeanne continues her promotion of this integrative therapy to help support one's own wellness. She continues her private practice of Healing Touch and Reflexology in Dieppe, New Brunswick as well as mentoring the HT communities in NB.

Jeanne is an instructor of the HTI Healing Touch Certificate Program & has the right to use the intellectual property of the HTI Healing Touch Certificate Program Course of Study.
